

THOMAS EMS TEMPERATURE CONTROL

CLIMA-TECH™ DUAL CHAMBER CASE ◀◀

**The Only PORTABLE TEMPERATURE CONTROLLED CASE
Designed Specifically for the EMS Market**

NEW

- Housed in a durable Pelican case
- Maintains 50 degrees off ambient temperature
- Automatically maintains + / - 1 degree from set temperature
- Retractable extension handle/polyurethane wheels
- Smart Sensor detects ambient temperature and predicts interior temperatures
- Will cool or heat up to 3 hours on battery power
- Automatically switches to battery power when removed from vehicle
- External digital temperature display
- Exterior Dimensions : 22" x 16.5" x 11"
- 12 Volt vehicle power or 110 volt with optional power supply

Designed specifically for EMS use.

Now features 2 separate temperature controlled chambers!

Everything comes securely packaged in a rugged Pelican case. Built with stainless steel hardware and padlock protectors for optimum security.

Inside the lid the contents are well organized. A double layer of elastic lined clear pockets assist with fast and secure placement of pharmaceuticals and other supplies.

Dual chamber design allows for storage of medications that require refrigeration (ativan, cardizem, RSI, etc..) as well as all the other medications that require room temperature storage.
